

BASIC LICENSE AGREEMENT

Slant Type Foundry
Version 2.0 - May 12, 2026

1 - GENERAL

- ¶1. This End User License Agreement (“EULA”, “Agreement”, or “License”) is a legal contract between Slant Type (Slant) and you, or the company that you represent (Licensee).
- ¶2. By purchasing, downloading, installing, or using the fonts provided by Slant, you agree to the following terms and conditions.
- ¶3. Jessica Granell (Slant), is the owner of the fonts delivered with this license. No ownership rights are transferred under this Agreement.
- ¶4. Upon receipt by Slant of all applicable fees, you are granted a non-exclusive and non-transferable license to use the fonts in specific ways. All rights not granted to you by this Agreement are expressly reserved by Slant.

2 - DEFINITIONS

- ¶1. The *license owner* is the individual or company that is the ultimate end user of the fonts and benefits from the license.
- ¶2. The *company size* is the total number of people (including temporary staff) working in the License Owner’s organization.
- ¶3. A *subcontractor* is any third party using the fonts on behalf of the license owner, such as an individual designer, freelancer, design agency, studio or other service bureau.

3 - LICENSE SCOPE

- ¶1. Use of the fonts is limited to the number of users authorized by your purchase. The purchase of a “up to 5 people” license allows for the installation and use of the fonts by up to 5 users within your organization only.
- ¶2. Except as otherwise specified by this Agreement, you may:
 - Install the fonts on any number of devices within your organization.
 - Use the fonts to create static images such as logos, business cards, books, magazines, product packaging and similar commercial products related to your organization.
 - Use the fonts on any number of websites owned and controlled by your organization.
 - Embed the fonts in static documents (such as PDFs), in eBooks, digital products, installable applications, and other media produced by your organization.

- ¶3. The fonts are provided in OTF (OpenType CFF) for desktop use, WOFF and WOFF2 formats for web use.
- ¶4. You may only serve the fonts on websites using the CSS @font-face rule and in the WOFF2 format for “styling HTML pages”.
- ¶5. Embedding of the font is permitted solely when the font files are protected from extraction or reuse.
- ¶6. The price of the license is based on the company size of the license owner. This license remains valid even if the company size of the license owner increases, provided the company size was correctly stated at the time of purchase. You don’t need to upgrade your license tier.

4 - SUBCONTRACTORS

- ¶1. Subcontractors working on behalf of the license owner are permitted to use the fonts in accordance with this Agreement without having their own license.
- ¶2. They must be aware and agree to the terms of this Agreement prior to receiving the fonts.
- ¶3. The license owner is allowed to share copies of the fonts to any subcontractor they require, as long as the fonts are only used for work in relation to the license owner.
- ¶4. When a subcontractor stops working for the license owner, they must delete all copies of the fonts in their possession.
- ¶5. Any subcontractor wanting to use the fonts to create work for their own organization or any other party than the license owner must have their own license.

5 - PURCHASE BY A DESIGNER

- ¶1. A designer (including agency, studio, freelancer or service provider) can purchase a license on behalf of their client under the following conditions:
 - The Licensee (client) is properly named during checkout.
 - The correct license tier corresponding to the Licensee’s organization is selected.
 - The Licensee has read and agreed to this Agreement.
 - The Licensee has permitted the designer to complete the purchase on their behalf.
- ¶2. The designer is not permitted to quote or invoice the Licensee for any price other than the amount they actually paid for the license.

6 - GENERAL RESTRICTIONS

- ¶1. Fonts may not be stored or used in any manner that makes them accessible to the public or non-licensed or unauthorized third parties.
- ¶2. Copies of the fonts cannot be distributed, transmitted, leased, loaned, sold or sub-licensed, in whole or in part to any unlicensed third party.
- ¶3. You may not modify, adapt, translate, reverse engineer, de-compile or disassemble nor alter the fonts in any manner. Any modifications, derivations or adaptations of the fonts is subject to Slant's permission, which reserves a right to create such modifications.
- ¶4. You may not re-convert the fonts file formats provided to other file formats.
- ¶5. You may not use the fonts as a tool or resource for unlicensed third parties to create customized products or documents such as personalized invitation, greeting card, customized portfolio or print-on-demand service.
- ¶6. You may not use the fonts for letter-form (alphabet) products in which any individual glyph (modified or unmodified) gives its shape to the product. This applies to both physical and digital products including but not limited to scrapbooking letters, stencils, iron-on lettering or signage elements.
- ¶7. You may not transfer this Agreement or any of your rights hereunder to any third party without the prior written permission of Slant.

7 - RESPONSIBILITY FOR THIRD PARTIES

- ¶1. The license owner remains fully responsible for any use of the fonts by employees, subcontractors, collaborators, or third parties acting on its behalf. Any breach by such parties shall be deemed a breach by the license owner.

8 - REFUNDS

- ¶1. Due to the digital nature of the product, Slant doesn't offer refunds on the font licenses, as it is impossible to verify that the fonts are no longer in use.
- ¶2. If you have a technical issue with the fonts, please contact me at hello@slant-type.co and I will work with you to solve the problem. If the issue can't be fixed, I will refund your license fee.

9 - TERMINATION

- ¶1. This Agreement is effective in perpetuity, except if you breach any of its terms for which Slant reserves the right to charge you the cost of a license covering your actual usage of the fonts, on a per-infringement basis and/or terminate the license.

10 - WARRANTY

- ¶1. Slant's fonts are offered on an as-is basis. The license owner assumes the entire risk of the quality and performance of the fonts, and waives both the implied warranty of fitness and the implied warranty against infringement of third-party rights.
- ¶2. Slant does not warrant that the fonts will operate uninterrupted or error-free. However if you encounter an issue or problem with the fonts, Slant will provide a replacement for the same font styles.
- ¶3. If the issue cannot be reasonably remedied, Slant may offer to refund you, at which point this Agreement will immediately terminate.

11 - LIABILITY

- ¶1. Slant's liability for costs, damages, or other losses arising out of the use or inability to use the fonts under this license—including third-party claims—is limited to a refund of the license fee.

12 - LEGAL

- ¶1. This Agreement is subject to and governed by French law. All claims shall be subject to the exclusive jurisdiction of the competent courts of France.
- ¶2. If part of the license turns out to be unenforceable, the rest will remain.
